MEETING AGENDA

DATE: Monday, May 18th, 2009
PLACE: Rotary Room, Milton-Freewater Community Building
TIME: 7:00 – 8:30 p.m.

AGENDA

- Review minutes of the last meeting – April 20th, 2009

- Feasibility Study Decision Making - The Confederated Tribes of the Umatilla Indian Reservation have been sponsoring the Army Corps of Engineers’ Walla Walla River Flow Improvement Study. Project goals and options being considered have been discussed at recent watershed council meetings, including cost/benefit comparisons. The Tribes’ Board of Trustees would like feedback to aid them in making a final decision on which alternative (Pine Ck Reservoir or Columbia River Exchange) will move forward for further study, design, and if authorized by Congress, constructed. They are currently leaning towards the Exchange.

- Two project proposals submitted to OWEB, Aquifer Recharge Expansion and Fruitvale Water Management

- Bureau of Reclamation Proposal for Bi-State Aquifer Recharge and Water Banking

- Columbia Basin Toxics Reduction Workshop; Walla Walla Pesticide Stewardship Project featured as success story

- Lincton Mountain Wind Farm update

Next Meeting: June 15th, 2009 at the Rotary Room, Milton-Freewater Community Building, 5th Ave. and Ward St., 7:00-8:30 p.m.
