MEETING AGENDA

DATE: Monday, November 16th, 2009
PLACE: Rotary Room, Milton-Freewater Community Building
TIME: 7:00 – 8:30 p.m.

Review minutes of the last meeting – October 19th, 2009

Oregon Solutions Team and the Milton-Freewater Levee update – identifying priorities and the timelines for assessment, designs, permitting, and funding for short term repair goals, floodplain insurance mapping, finding agreement on the vegetation dilemma, and a sustainable long term solution

Shallow Aquifer Recharge Program Expansion – this program is being expanded to additional sites in Oregon and Washington in cooperation with the Irrigation Districts and Walla Walla County Conservation District

Wind Energy Siting Update – the Umatilla County Planning Commission had a workshop last month to learn more about wind energy permitting issues from both the wind companies and from local natural resource managers

Columbia Basin Water Transaction Program – the WWBWC has an opportunity to become a Qualified Lead Entity to implement this program on the Oregon half of the Walla Walla Basin. The Walla Walla Watershed Alliance would like the WWBWC and the Walla Walla Watershed Management Partnership to take over the Alliance’s QLE status.

Announcements
- Milton-Freewater levee meetings on Tuesday, December 8th
