The Fiscal Committee will meet at 6:00 for a review of the fiscal procedures

MEETING AGENDA

DATE: Monday, May 16th, 2011
PLACE: Rotary Room, Milton-Freewater Community Building
TIME: 7:00 – 8:30 p.m.

Review minutes of the last meeting – April 18th, 2011

Milton-Freewater Levee update – Permits have been submitted for Levee repairs at Nursery Bridge, below Nursery Bridge, at Couse Creek bridge, and for work on culverts. GeoEngineers is completing their hydraulics analysis. A herd of goats has removed vegetation from a portion of the levee. Progress has been made on reaching consensus on a levee vegetation plan.

Walla Walla River Flow Enhancement Feasibility Study Discussion – CTUIR, the sponsors of this Corps of Engineers led project met with members of the community to discuss methods to reduce the current costs of the project.

Umatilla County Development Code Amendments – The Umatilla County Board of Commissioners are evaluating proposed Development Code amendments developed by the Planning Commission. These refer mainly to industrial development in rural areas, such as wind power generation facilities, and how to reduce impacts to the county’s residents and resources, as these types of projects are reviewed for potential permitting.

Little Walla Walla River - The Little Walla Walla River winter flows have noticeably diminished during the last century. Rick Henry will show Little Walla Walla River diversion data from the 1930s to present and lead a discussion on possible water management changes during that time period.

WWBWC Committee work - Financial Committee update on review of our Fiscal Procedures and the Bylaws Committee update on Bylaws review.

Announcements

Next Meeting: June 20th, 2011 at the Rotary Room, Milton-Freewater Community Building, 5th Ave. and Ward St, 7:00-8:30 p.m.
