MEETING AGENDA

DATE: Monday, June 18th, 2012
PLACE: Rotary Room, Milton-Freewater Community Building
TIME: 7:00 – 8:30 p.m.

Review minutes of the last meeting – May 21st, 2012

WWBWC Staffing changes

Smith Concrete Berm fish passage project update – our engineer and ODFW have worked out a final design. Designs are going out for review. Construction may occur as soon as this summer. There are some liability issues to work out related to the site.

Shallow aquifer recharge strategy update – a progress update will be provided on the next set of recharge sites we are developing. Also, there will be discussion on possible solutions to the issues related to getting water to some of the new recharge sites.

STELLAR science education program updates

Announcements

Next Meeting: July 16th at the Rotary Room, Milton-Freewater Community Building, 5th Ave. and Ward St, 7:00-8:30 p.m.
