MEETING AGENDA

DATE: Monday, November 19th, 2012
PLACE: Rotary Room, Milton-Freewater Community Building
TIME: 7:00 – 8:30 p.m.

Review minutes of the last meeting – October 15th, 2012

Zell Diversion Fish Passage Project update - Zell Ditch users are working on the Point of Diversion Transfer. Ditch improvement work has occurred. Grant application completed for additional funding.

Shallow aquifer recharge site development discussion regarding Little Walla Walla and Eastside sites – A recharge strategy is being developed for additional recharge sites, including the Little Walla Walla area and Eastside area. There are a few important decisions we need to make regarding conveying the water to proposed locations. These items will be discussed.

Walla Walla Action Plan Development – We will need to update our Strategic Action Plan over the next few months. We need to confirm the types of projects we will be working on over the next few years and work on some prioritization. This will assist with developing a scope of work for in stream projects, BPA funded projects, and will satisfy new OWEB funding requirements.

Wind Power Transmission Line update
