MEETING AGENDA

DATE:         Monday, November 17th, 2014

PLACE:        Rotary Room, Milton-Freewater Community Building
TIME:         7:00-8:30 PM

7:00 - Review minutes of the last meeting – October 20th, 2014

Kentch South Fork Walla Walla Habitat Project – Mike Lambert and Jonathan Thompson from the CTUIR Habitat Program will describe the design and goals of this project.

Shallow Aquifer Recharge Limited Licenses – licenses are needed for new sites that are being designed. There is an option to bundle the licenses for several sites and have the combined license held by the WWBWC. Additional information will be provided on the Board Room on the WWBWC website. This option will be discussed.

White Ditch Piping construction report

BPA Contracts – have been approved and signed for the upcoming year

Wildlife Habitat Field Day – Graham will report on this field trip with students

Personnel Committee report
